Principal Partner

EverlightRadiology

Supported by

Introduction: Setting up an ER Division - Key Requirements

Dinesh Varma, Rathachai
Kaewlai, Junichi Matsumoto

NEUROIMAGING

Practical pearls on interpreting hyperacute stroke imaging

Ronil Chandra, Australia

Non traumatic Ophthalmological emergencies

Bundhit Tantiwongkosi, Thailand

Blunt and penetrating cerebrovascular injuries: Pitfalls, tips and tricks

Pratik Mukherji, Singapore

ABDOMEN & PELVIS

Tricks and traps in imaging of acute abdomen

Pinporn Jenjitrant, Thailand

Imaging of GI bleeding

Choong-Il Shin, South

Reading CT for the best treatment strategy in blunt abdominal trauma

Junichi Matsumoto, Japan

Imaging of bowel and mesenteric injury in blunt abdominal trauma

Dinesh Chinchure, Singapore

Urgent USG scan for children in emergency setting

Joyce Chan, Hong Kong

VASCULAR IMAGING & INTERVENTION

Nonvascular IR out of hours

Heather Moriarty, Australia

IR management in blunt abdominal trauma

Yon Cheong Wong, Taiwan

Hybrid ER system for hemodynamically unstable patients

Hirsohi Kondo, Japan

Pulmonary CT angiography for suspected pulmonary embolism: utilization, imaging features, and radiation dose

Chun-Ku Chen, Taiwan

QUALITY & SAFETY

Quality and Safety in Major Trauma Imaging

John Vedelago, Australia

Patient throughput change at ER in COVID-19 era

Song-Ee Baek, South Korea

Using incident monitoring to learn from diagnostic errors (in Emergency Medicine)

Carmel Crock, Australia

SHOULD SELF- SUSTAINED EMERGENCY RADIOLOGY DEPARTMENTS BECOME A REALITY IN THE EMERGING WORLD COUNTRIES?

Presentations

Dr Atin Kumar (India);
Dr Indra Lekamge (Sri Lanka);
Dr Ram Ghimire (Nepal);
Dr Khalilur Rahman (Bangladesh);
Dr Aminath Nazeer (Maldives);
Dr Ahmed Ahidjo (Nigeria) and
Dr Bayarbaatar (Mongolia)

Discussion

Dr Veena Chowdhury and Dr Niranjan Khandelwal

The way forward

Dr Vineeta Ojha

HOW INTERNATIONAL COMMUNITY CAN CONTRIBUTE TO STRENGTHENING TRAINING PROGRAMS IN SOUTH AND CENTRAL ASIA

Concept and speaker introduction

Dr Niraj Pandey

Issues and challenges, needs and expectations and post training implementation

Dr Badra Hewavithana (Sri Lanka);
Dr Benu Lohani (Nepal);
Dr Bishwajit Bhowmik (Bangladesh);
Dr Aminath Nazeer (Maldives)

Learnings from similar programs

Dr Sanjiv Sharma (India)

Discussion

Moderated by: Dr Sanjiv Sharma, Dr Ramdas Senasi, Dr Kushaljit Sodhi

EMERGENCY RADIOLOGY PRACTICE IN RESOURCE LIMITED SETTINGS

Concept

Dr N. Khandelwal

Need for improvisation

Dr S. Rammurti

Optimizing imaging algorithms

Dr Raju Sharma

Optimizing manpower and subspecialty expertise

Dr Arjun Kalyanpur

Implementing Artificial intelligence tools for improved healthcare delivery

Dr Anjali Agrawal

Discussion

Dr Mukesh Kumar & Dr Balakrishna Shetty

ACUTE CHEST PAIN IN THE ER- INSIGHTS FROM THE EMERGING WORLD

Introduction of the concept

Dr Anoop

Ischemic

Dr Manphool Singhal

Non-ischemic vascular

Dr Sanjeev Kumar

Building an algorithm for implementation in the ER

Dr Vimal Raj

Moderation and discussion

Moderators:

Dr Priya Jagia and Dr Elizabeth Joseph

Participants:

Dr Anoop, Dr Manphool Singhal, Dr Sanjeev Kumar, Dr Vimal Raj

IMAGING OF COMMON PATHOLOGIES IN THE ED AND THEIR RADIOLOGICAL MANAGEMENT

Blunt Thoracic Aortic Injury Imaging

Dr Abdul Rahman

IR Management of Blunt Thoracic Aortic Injury

Dr Abdul Rahman

Imaging of Acute Neurological Emergencies in the Oncological Patient

Muhammed Ejaz Ahmed

Approach to Incidentalomas in Emergency Radiology

Dr Ashesh I. Ranchod

The Value of Dual Energy CT in the Acute Setting

Dr Mohammed Fahim Mohammed

Role of MRI in Acute CNS Emergencies

Dr Shumaila Arooj

Non accidental injury in children presenting to Redcross War Memorial Children's Hospital

Dr Jumei Chang

Imaging Findings that Effect Treatment Decisions for Mechanical Thrombectomy

Dr Zakariya Vawda

POLYTRAUMA: ARE WE READY TO BE THE MAIN ACTORS?

ESER polytrauma guidelines: instructions for use

Stefan Wirth

Trauma Team: what is the radiologist's role ?

Koenraad Hans Nieboer

Major incidents – personal experiences and lessons learnt

Elizabeth Dick

UK Paediatric Polytrauma Guidelines

Caren Landes

Major Trauma centre – protocols and pitfalls

Chris McLeavey

THE GI TRACT

Common and uncommon complications after bariatric surgery

Francesca Iacobellis

Mesenteric ischemia and other Acute bowel pathology

Ana Blanco Barrio

Blunt force abdominal trauma

Mariano Scaglione

Imaging of persons suspected of concealing drugs internally

Allan Andi

Paediatric emergency interventions

Andrew Healey

THE PREGNANT PATIENT IN THE EMERGENCY DEPARTMENT

Imaging of acute neurologic conditions in pregnancy

Cem Calli

Imaging of acute abdomen in pregnancy

Raffaella Basilico

Gynaecological emergencies in pregnancy

Rebecca Wiles

VASCULAR PATHOLOGY

Acute aortic pathology imaging, management, latest developments

Raghuram Lakshminarayan

Case review – solving the bleeding puzzle

Georgios Antoniadis / Vivek Shrivastava

CT IMAGING PROTOCOLS IN EMERGENCY RADIOLOGY

Trauma WBCT: Where Are We Now?

Mark Bernstein

Head/Face/Neck

Clint Sliker

Thorax Trauma

Felipe Munera

Abdomen/Pelvis

Iain Kirkpatrick

MSK

Adnan Sheikh

Spine Trauma

Ken Linnau

Spine Non-Trauma

Michele Johnson

MR IMAGING PROTOCOLS IN EMERGENCY RADIOLOGY

Stroke

Chris Potter

Abdomen/Pelvis

Jennifer Uyeda

Blunt force abdominal trauma

Mariano Scaglione

**Emergency Center MSK MRI
Protocols**

Nicholas Beckmann

OPTIMIZING EMERGENCY RADIOLOGY SERVICES IN YOUR PRACTICE

Private

Marc Camacho

Academic

Jamlik-Omari Johnson

Setting up a new Division

Ferco Berger

SPECIAL CONSIDERATIONS IN TRAUMA RADIOLOGY I

IR Utilization in Trauma

Rodrick Zvavanjanja

Extremity CTA

Scott Steenburg

Cardiac

Savvas Nicolaou

GSW

Noah Ditkofsky

MCI

Eric Roberge

EMERGENCY RADIOLOGY EDUCATION AND SCHOLARLY WORK

Residency/Fellowship Training

Tarek Hanna

Medical Student Training

Tracey Hillier

**Incorporating Research in your
ERad Practice**

Suzanne Chong

SPECIAL CONSIDERATIONS IN TRAUMA RADIOLOGY II

Radiography in the Emergent Setting

Krystal Archer-Arroyo

US

Michael Patlas

Pediatric

George Koberlein

Intimate Partner Violence

Bharti Khurana
